### Slavery: Crash Course US History #13

- 1) Why wouldn't the **North** have been able to **industrialize** as quickly without **Southern cotton**?

---

---

---

- 2) What were the most prominent effects of the **slave-based economy** in the **South**?

---

---

---

- 3) Describe a **yeoman** farmer in the **South**.

---

---

---

- 4) How did **Southern** intellectuals work to encourage white **racial supremacy** in the **South**?

---

---

---

- 5) Rationalize how **Thomas Jefferson** saw **slavery** as a necessary evil.

---

---

---

- 6) Evaluate how **masters** could see themselves as benevolent and good even though they supported **slavery**.

---

---

---

- 7) How did **Americans** in the **Antebellum Era** (1815-1860) justify their insanity over **slavery**?

---

---

---

---

---

---

---

8) What were conditions like on **plantations** in the **South**?

---

---

---

---

---

9) Why did slaves have to be **dehumanized** under the idea of **chattel slavery** in order for **slavery** to function?

---

---

---

---

---

10) Justify why **YOU** think **religion** was an important part of life as a **slave**.

---

---

---

---

---

11) Defend why **Harriet Tubman** was considered one of the most famous runaway **slaves**.

---

---

---

---

---

12) Illustrate the causes and effects of **Nat Turner's Rebellion** in 1831.

---

---

---

---

---

---

---

---

13) How did **slaves** reaffirm their **humanity** even as they were subjected to the harsh conditions of **slavery**, and why is this struggle relevant today?

---

---

---

---

---

---

---

---

---

---
