The Civil War, Part 2: Crash Course US History #21

- 1) Explain how the **Emancipation Proclamation** executive order by **Abraham Lincoln** didn't actually free all the slaves in spite of taking effect on **January 1, 1863**.

- 2) Why didn't **Abraham Lincoln** free the slaves in the **border states** that remained loyal to the **Union**?

- 3) In what way was **Abraham Lincoln** essentially forced to issue the **Emancipation Proclamation**?

- 4) How did the threat of the **British** joining the **Confederacy** factor into **Abraham Lincoln's** decision to issue the **Emancipation Proclamation**?

- 5) Contemplate **Abraham Lincoln's** viewpoint in the **Gettysburg Address**. Why did he consider the **American Civil War** a second **American Revolution**?

6) Who was **Matthew Brady** and what was his role in the **American Civil War**?

7) What did the **Northern victory** in the **American Civil War** mean for the **United States**?

8) Why is **Abraham Lincoln** considered by many to be the first American president to expand the power of the **executive office**?

9) By what means did the **Homestead Act of 1862**, passed by the **Republican** controlled **Congress**, play a role in the **Federalization** of the **United States**?

10) After what precedent did the **Pacific Railway Act of 1862** effectively tie the nation together?

11) Analyze the origin of **greenbacks** and what factors led to their existence.

12) Point out why the **American Civil War** was ultimately a victory for **Federalist Alexander Hamilton's** vision of what the **United States** should be?
